OMFA IMPORTANT RULES for 2024

LEVELS

- If competitors compete at 2 or more different levels at a local festival, **they can only be recommended for ONE level** (usually the level they have performed at best)

PROFESSIONAL vs AMATEUR

All competitors **MUST** be amateurs.

- An **amateur** shall be defined as a music student, performer, or any person who does **NOT** earn significant income (see below) from performance or teaching in the discipline in which they are participating.

A **professional** shall be defined as:

- an individual performing in a professional show **and/or** earning significant income (over \$5000.00 for adults and over \$1000 for children up to 18 years) from performing or teaching music privately or in the school system.

- Individuals who are full or junior members of either **ACTRA** or **EQUITY** or are collecting credits to becoming an Equity member.
- Children up to 18 years who perform in a professional show and are not paid, receive valuable professional experience, and are therefore considered professional for the calendar year in which they are cast.
 - a. The calendar year is defined as September 1st – August 31st.
 - b. If the individual is enrolled as a full member of either ACTRA or EQUITY, has performed in a professional show **and/or** received professional income (over \$5000.00 for adults and over \$1000 for children up to 18 years), they are then considered professional and are therefore ineligible to participate in the OMFA Provincial Finals *for that same year* (eg. if the individual was recommended in February, but then joined ACTRA or EQUITY (eg. April).
 - c. If the individual has received professional income *after* they were recommended to the OMFA Provincial Finals, they would be ineligible to participate and their entry fee would be refunded, if applicable.
 - d. An exception would be made for an individual participating in another discipline that is different from the reason for their ACTRA or EQUITY membership (eg. an individual performing in a professional musical that has been recommended for classical piano would be allowed).
 - e. Disciplines that **CANNOT** be entered when performing in a professional musical include Musical Theatre, Speech Arts, Songs from the Screen and More and Popular Voice.

BACKING TRACKS

- Acknowledging the financial considerations of schools, OMFA will permit **pre-recorded backing tracks** for **choral groups**.
- If competitors choose to use backtracks for their accompaniment (in **Popular Voice** only), the backtracks, formatted as an mp3 only, must be submitted at registration no later than their local festival's deadline in the MFS platform.
- A late fee of \$25 will be added for 3 days following the registration deadline.
- A change fee of \$25 will be charged for any changes to mp3 files up until **May 12, 2024**.
